

INCOME STATEMENT

The Income Statement presents the financial results of a business for a stated period of time. The statement quantifies the amount of *revenue* generated and *expenses* incurred by an organization during a reporting period, as well as any resulting net *profit* or *loss*. Also known as *the profit and loss statement* or the *statement of revenue and expense*, the income statement primarily focuses on the company's revenues and expenses during a particular period. Change the **Branch**, **Date Range (Start Date and End Date)** as filters for the report (Figure 1). Click the **Print Report Button** to print (Figure 2), **Export Button** to save the report to an Excel File (Figure 3), and **Email Button** to email the excel file to the designated address in the **Settings -> Email Report Settings**.
