

UNIT MANAGEMENT

Listed in the *Figure 1* are the Units created in the Accounting System. These are used as Unit of Measurements for the Products.

Figure 1

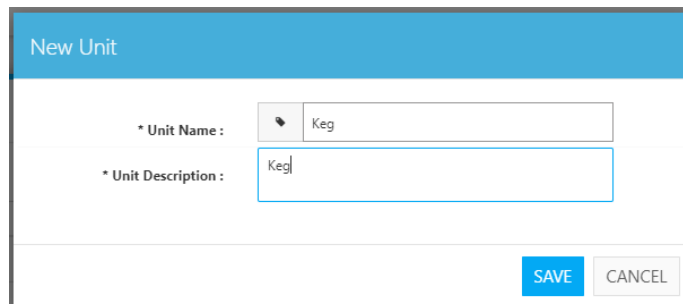

The screenshot shows a web interface titled "Units". At the top left is a blue button labeled "+ New Unit". At the top right is a search bar labeled "Search Unit". Below these is a table with the following columns: "Unit Name", "Unit Description", and "Action". The table contains five rows of units: Box, Kg, Piece, Retail, and Roll. Each row has a blue pencil icon for editing and a red trash can icon for deleting. Below the table, it says "Showing 1 to 5 of 5 entries". At the bottom right, there are navigation buttons: "< Previous", "1", and "Next >".

Unit Name	Unit Description	Action
Box	Box	 
Kg	Kg	 
Piece	Piece	 
Retail	Retail	 
Roll	Roll	 

Use the **Search Field** to search for the information from inside the table. Click the **Trash Button** to delete, **Pencil Button** to edit. Click the **New Unit Button** to create. Fill the Form (*figure 2*), and click the **Save Button** to save.

Figure 2

The screenshot shows a form titled "New Unit". It has two input fields: "* Unit Name :" and "* Unit Description :". Both fields contain the text "Keg". At the bottom right, there are two buttons: "SAVE" (in blue) and "CANCEL" (in grey).

New Unit	
* Unit Name :	<input type="text" value="Keg"/>
* Unit Description :	<input type="text" value="Keg"/>
<div>SAVE CANCEL</div>
